## **Pump Technical Sales Representative**

- **Industrial Pumps and Mechanical Seals product range**
- **Package circa \$80,000**
- **Profit share structure**
- **Car Allowance**
- **Leave allowance**

Situated in their new factory premises in the Northern suburbs of Melbourne, a young aggressive and expanding Pump and mechanical seal company representing some well known local and overseas products, need 1 new **Technical Representative** to grow the business to the next stage. The Melbourne based company was established 7 years ago and has aggressive expansion plans to further penetrate the marketplace.,

Working closely with the Management team, you will take over an existing customer base but the emphasis will also be new pump and seal business development. Managing the business in the future will also be a part of your job description to consider.

Applicants will need to some **industrial pump sales background**, be highly motivated and able to work both autonomously and in a team environment. With a genuinely open ended Profit share structure this should not be an issue. Additional product training will be provided both onsite and at Pump Companies.

**PLEASE NOTE: APPLICANTS MUST HAVE PREVIOUS SELLING EXPERIENCE IN THE MELBOURNE/VICTORIAN MARKET.**

A salary package comprising base salary, open ended profit sharing, leave allowance, car allowance and superannuation will be offered to the successful candidate. Please e-mail your resume to
